

How to Be: Success Strategies for the Young, Gifted, and Black

The hip-hop generation must urgently attend to the serious business of personal and cultural maintenance. While it is needful to work toward all-encompassing social change, the primary necessity of Black youth must be to turn an introspective eye and focus on self-improvement. How To BeSuccess Strategies for the Young, Gifted, and Black is an organized, focused, perpetual action program that provides strategies for those who would endeavor to achieve greatness. How To BeSuccess Strategies for the Young, Gifted, and Black is the only book of its kind because it speaks to young African Americans and equips them with practical strategies for success.
