

Its Not Love Vol.1

Its simply passion and sexual desire. A firework that will soon die out. Its not love--! Ganghyuk Choi, the top 0.001% of the male species meets Joowon Kim, the bottom 10% of the pack! A chance encounter brings together the two men who would naturally have no chance of even brushing by each other. And to Joowons surprise, it leads to a one-night stand. What was expected to end after that night continues on to be something more, and the odd couple fall deeper and deeper for each other.
