

Is Jesus The Messiah?

If you are Jewish, but are wondering if Jesus is the Messiah and want to look at the topic in a non-confrontational light, then this is a good book for you. I make an argument that Jewish people can be saved by faith in the Word, and that the best spiritual fulfillment is through the whole of the Word. No matter what you believe after you read it, the book will give you a better knowledge of the Bible.
