

Excerpt from North Carolina Cancer Registry, 1968 The North Carolina Cancer Registry was begun in 1968 by the North Carolina Regional Medical Program. The State Board of Health assumed administrative responsibility for the Registry in 1970, while guidelines and policies for the program continue to be Set by an advisory committee established under Regional Medical Program auspices. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
