

Job Seekers Manual for the Digital Age: Finding Employment in These Tough Times

New Digital Tools to Get or Keep a JOB
Find where the jobs are, reach the people who do the hiring and be the kind of employee they're looking for. This new age, interactive Digital 3-in-1 Job Seekers Program will significantly increase your odds of rapidly finding the job and salary you want. It is a simple & easy to use Program that gives you a technological advantage in today's competitive job market. You'll also acquire the management skills and business expertise that will open new career opportunities for you and make you the valuable employee that employers really seek. The Program includes: (1) A free Job Seekers Resource Kit: A meticulously researched Internet Portal eBook that is constantly updated to give you all the new tools, technologies and apps for your Job Search and Assurance. (2) A comprehensive Manual to make you an indispensable employee by being business-savvy and knowing how companies are created, funded, marketed and operated. This knowledge will enable you to contribute to the company's growth and profitability by being in sync with the company's goals. (3) A free downloadable interactive and fun Entrepreneur Reality Game that reinforces your business knowledge by letting you build a virtual business then awarding you with a Streetwise MBA in Entrepreneurial Thinking (Fig.1), a Virtual Stock Certificate (Fig.2) and the Virtual Millionaire Shopping Spree. The author, George Elliott Porcell, a lifetime entrepreneur, started his first business 61 years ago at age 8. Thereafter, he successfully founded & operated dozens of businesses from home-based ones to 2 high-tech public companies, one in interactive learning. He's been featured in TIME, CBS, NBC and media worldwide.
