

## Journey into the Unknown

Journey Foundation founder, Dr Adam Mohamed launched a powerful book that will strike a chord with anyone who has ever found themselves touched by emotional suffering. In 1986, on a road from Standerton to Volksrust, Dr Mahomed and his wife Noorjehan lost their three young daughters in a single, tragic car accident. Now, more than 20 years later, and with Noorjehan having passed away in 2005, Dr Mohamed is sharing their experience with others.
