

Living Courageously - 101 Tips for Authentic Success

Have you ever met or seen someone who had it all together? Charisma, confidence, fabulous career, a great conversationalist, home, family, wealth? How did they arrive at this place of ease and excellence? Were they borne with it? Or learn to take simple steps of courage on a daily basis? The way of living courageously and being authentic lies in looking for ways to move beyond fear and maximize opportunities. Today's world calls for the courage to act decisively and quickly, which is only possible when you look deeply within and connect with your spirit. Only then are you able to live fully, and thrive in work, life and love. This book offers you 101 concise, concrete and easy-to-use tips for tapping into courage and using it for real success. It will teach you how to recognize courage, how to make the most of courage and how to apply courage in five main areas- finances, leadership, management, relationships, and faith. With courage, the world can become your oyster. Are you ready to confidently make your mark on the world? Will you be a brave warrior or a coward the choice is yours.
