

Max and Jane (Love Stories: Prom Trilogy)

Jane has fantasized about the prom for years. The perfect dress, the lovely corsage, the slow dances without end. So now, when the big night is just three weeks away and the guy of her dreams doesn't know she's alive, it's time for a major plan. She's going to transform herself into the kind of girl she knows he'll go for. And she knows just who can help her do it. . .
