Many are also available as audio books. About Boogie: A Life With The Devil. This full length novel grew out of the Five Star short story, Blackbird: A Young Boy Meets the Devil For the First Time. It follows the little boy from that first meeting with the devil, all the way through his life... until the surprise end. Meet Bill the Blackbird and Boogie McCain and a host of other interesting characters... As the devil never gives up in trying to get Boogie to sign away his soul... in return for fame and fortune... and a few other things as well! One reviewer called Blackbird... A must-read treasure, December 24, 2012 By Henrietta Lala herbalwiz (St. Martinville, LA) - See all my reviews Amazon Verified Purchase(Whats this?) This review is from: Blackbird: A Boy Meets The Devil For the

First Time (Kindle Edition) Ive been reading about 70 years and Blackbird is one of those rare nuggets of pure gold in a whole mountain of clay . It plays out like the blues, full of riffs and bass and gravel that spin themselves into a mirror of soul not ashamed to get down and dirty and come up dragging us into a light we refused to open our eyes to before. Dont let the stomp and shuffle and guffaws fool you into thinking its not about you, you aint gonna get off that easy. I was in Gadsden Alabama for about three months in 1958, and hes not telling any lies. It was my first experience with deep southern segregationist views. A great morality tale told by a masterful and powerful writer about a very unique character. About this story: When you are overwhelmed by what life throws at you... You do anything you can to survive. But sometimes... Only one thing can save you. Love.
