

About.com Guide to Family Crafts: 150 Simple and Fun Projects Everyone Can Make Together (About.com Guides)

The About.com Guide to Family Crafts welcomes readers to the world of crafting with their kids. Here, children will learn to take pride in their work, stretch their imagination, and know the feeling of success that comes with being creative. Sherri Osborn, the About.com Guide to Family Crafts expert, offers expert guidance on every step of the way, from filling a toolkit with home-made supplies, to having fun with papier mache, batik and collage. Illustrated instructions and an online chapter-by-chapter completed projects forum, will help even those with two left thumbs snip, cut and glue with success. Projects include: Crafts from trash, turn bottle caps, old CDs, and egg cartons into decorative picture frames, sun catchers, and jewellery organisers; Gifts for everyone features recipes for home-made bath salts for mum, a tool bench organiser for dad, or a teachers survival kit for that first day of school; Make-it and wear-it - readers learn exciting tie-dye, batik and embellishing techniques; and, Pick a theme and create animal ears, fairy princess castles, or pirate treasure chests.
