

Last Will and Testament of a Lover: A Journey Through Grief

Last Will and Testament of a Lover is a love story about a journey through grief. Ross is a composite creation of the lover in all of us and Rose is his grieving spouse. Ross writes a sensitive love-will to comfort and encourage Rose when she mourns his death. Her journey is real as he supports her with loving words through all the stages and emotions of grief. Clifford Ellis has produced a story of love, hope and new beginnings by incorporating his own experiences of grief with his research and the journeys of others. The book will comfort people in grief, be useful for grief support groups, and be an inspiration to anyone planning to leave a personal letter with their will.
