

Terra Australis (1000 Feuilles) (French Edition)

Le recit vrai de la naissance de l'Australie ! Une des plus incroyables odyssees humaines de l'Histoire a eu lieu il y a un peu plus de 220 ans. Environ 1 500 hommes et femmes ont ete deportes, entasses a bord de 11 navires, parcourant plus de 24 000 km sur trois oceans. Ils etaient des bagnards, des forcats, des condammes... le rebut de l'Angleterre ! On les a envoyes a l'autre bout du monde, dans un pays qui n'existait pas encore. Aller sans retour vers l'enfer ou chance inesperee d'une nouvelle vie ? Plus rien ne sera comme avant autour de ce nouveau monde, issu d'une terre ancestrale que les habitants d'origine appelaient Bandaiyan... Laurent-Frederic Bollee livre ici son From Hell, une ?uvre magistrale de plus de 500 pages dessinees avec brio au lavis par Philippe Nicloux. Une creation sans precedent dans l'histoire de la bande dessinee francaise et internationale.
