

The Leader in You: Realising Your Leadership Qualities for Greatness

Here is the ultimate secret to realising your leadership qualities in the quest of achieving more, being more, and giving more, inspired by international bestselling author Gerry Roberts The Millionaire Mindset. Many books focus on how to be rich, but the truth is that nothing can be achieved without knowing and realising your leadership qualities. A former shop assistant, the author has paved her way through life in understanding that the fundamental principle of becoming who you want to become is realizing your leadership potential. The Leader in You will bring out the fortune in you. Once you learn and apply the simple, basic techniques revealed here, you will have mastered the secret of true and lasting success. You may have whatever you want in life and become whatever you want to become. The Leader in You was a precursor to Dr Gladys Adeveys The Best of You. Dr Gladys is well known for researching the reason that not everyone can be a success, motivating her to study psychology, and she graduated with distinction. Her work is still used as a yardstick for perfection and higher grades. Her leadership qualities are not just a natural phenomenon but hold a doctorate degree in that respect. Its time to stop wondering what its like to be a success and start knowing. The Leader in You has winning advice on how to increase self-confidence, cultivate a taste for success, and much more to create an awesome future.
