

Your long-time partner has just betrayed your relationship and everything you hold dear: \* Are you stuck trying to decide whether to move forward in your relationship or give up? \* Do you find yourself repeating old ways of behavior? \* Do you frequently talk about whose fault the betrayal was? \* Are you continually dealing with jealousy and control issues? \* Are you tired of being a victim? \* Do you spend a lot of time thinking how it might have been different? If you answered YES to any of these questions then this book is for you! Life After Betrayal: A Practical Guide, is an honest, straightforward book that helps the reader through each step on the road to recovery. The book identifies the feelings that emerge during this emotional upheaval and offers a reservoir of alternative solutions on how to deal with these emotions. The journey of self-discovery is handled sensitively, and is an essential passage in moving on from an unhealthy relationship.
