

## Light my Fire (Italian Edition)

Dopo la separazione dei suoi genitori, Drake ritorna a Hoover, in Alabama, per andare a vivere con suo padre, dongiovanni incallito, che lo ha trascinato ad Atlanta un anno prima, seguendo una delle sue innumerevoli amanti. Quando si iscrive al liceo, scopre che Ben, il suo migliore amico con il quale ha mantenuto i contatti, e cambiato. Ha iniziato a bere, e diventato incline alla violenza. E ha una nuova ragazza, Daphne. Frequentando il Wilmot High, Drake si accorge che Daphne non è così felice come si sforza di apparire, per non intaccare l'immagine di studentessa modello. Intrappolata nel ruolo di ragazza bene educata, sottomessa a Ben, Daphne capisce che solo con Drake può essere se stessa, e fra i due sboccia un' incontrollabile attrazione che entrambi bloccano sul nascere. Drake non ha il coraggio di portare via la ragazza al suo migliore amico, così prova a mettersi assieme a Holly, una compagna di scuola frivola e superficiale. Una sera a una festa, Daphne e Ben litigano. Lui la accompagna a casa ubriaco e hanno un incidente. Lei si ritrova quasi illesa, lui invece con una contusione alla spina dorsale che lo costringe a un periodo di terapia, su una sedia a rotelle. Schiacciata dal senso di colpa, Daphne si chiude in se stessa, emarginata da tutti perché ritenuta colpevole dell'incidente. Solo Drake riesce a comprenderla e i due ragazzi iniziano una storia d'amore segreta, che li cambierà profondamente. Acceso di passione, Light my Fire è un romance New Adult narrato con il punto di vista alternato dei due protagonisti: Drake, il ribelle che non ha mai conosciuto l'amore, e Daphne, una ragazza che si nasconde dietro una maschera di buonismo per non deludere gli altri, amareggiata dalla vita ma che ancora crede nei sentimenti.
