

Readers who devoured Boyfriend From Hell and Earth Angel will be captivated by the third book in the Falling Angels Saga. As summer break for Glendale Union High begins, heartsick Megan awaits Guys return while struggling to control her emerging abilities. Love is in the air, but can the new loves in Megan, Maudrina, Suze, and Aunt Jazs lives be trusted? Nothing is what it seems. Meanwhile, the Satanists are set to hatch their most diabolical scheme ever, and if it comes to pass, Satan may finally win out. Megan has precious little time to unravel the cryptic message hidden in the riddle she received at the end of Earth Angel. If she doesn't, the life of someone most dear to her will be lost forever, and Megan may yet find herself living in HELL. The third book in E. Van Lowe's Falling Angels Saga is his most thrilling yet.
