

I Asked Her Out, She Said Yes - Now What? A Crash Course in Dates That Lead to Relationships

This book is a simple, straightforward, logical guide to dating the right way. No gimmicks, no tricks, just practical advice that really works. If you're new to the dating scene, fed up with short-lived relationships, sick of awkward dates with girls, or would just like to fine-tune your dating skills, this book is definitely for you. The advice in this book will restore your perspective, help you find relationships that last, and give you some practical hints and tips to help you-and the girl you asked out-feel great about the first date and beyond. Whether you're new to dating, or you've been doing it for years, you'll walk away from this book with the skills necessary to have success in dating.
