

Healers Digest: A Guide for Healers & Healers to be

The Author is writing about her own experiences as a certified Reiki practitioner and putting herself out there into the alternative healing community. She describes her enthusiasm and passion while at the same time discovers some road blocks along the way. K.S. Lamperts wants her book to encourage every healer or practitioner who thinks of opening a healing practice but doesn't feel good enough to do so. This book might help you to find a way, a missing link, or just an idea to establish your own healing business. Trusting your instincts

is K.S.s personal life quote.
