

Looking Through My Eyes

This book is a compilation of actual events that have been recorded and witnessed by others. The contents are based on true experiences that also include growing up in a house that had a mind and an agenda of its own. Learn how a variety of occurrences together with psychic phenomenon, a diverse ethnical background and the use of the occult aided in the growth and understanding of life as we live it. As you read the personal experiences, you may come to realize you have also lived similar happenings and recognize the abilities that are inside of you and how you can develop the powers within.
