Her aunt and grandparents believe in a strange land called Lorliale, a place that terrifies her father. They think Stars nightmares about a young woman named Shantele mean that Star is remembering events that happened in Lorliale 10,000 years ago, in the time of the Drolords. They want her to open a mysterious portal, but all she wants is for her father to take her back to Oregon, and for her mother to be alive again. Other books in the series are: Firithyleleni Reunion in Lorliale The Last Song of Leleni Mihaien
