

## Cancer & MY Daddy

Brent Atwaters Just Plain Love(R)Books presentsCancer and MY Daddy! does not have illustrations. This is the touching and tender story of all the profound, positive and uplifting concepts a precocious little Girl learns while her Daddy experiences Cancer. His death teaches her the greatest gift of life, love endures forever and always. Just Plain Love(R) childrens healing books are a breath of fresh air and warm reassurance aroundhands-off subjects, for readers of every age. They enable discussion of the various aspects of delicate health conditions and their issues between parent and child, caregivers, and all those involved in and during those sensitive times.The Just Plain Love(R) StoryExperiencing a pediatric intensive care is a heart wrenching jolt to anyones world. I decided a positive Light needed to shine on the hearts of these struggling little souls, so new to earth and so old to the diseases, health issues and medical conditions whose very procedures and treatments ravaged their young bodies. I offer a positive spin? on all of the health issue negatives and create a profound portal of communication, and a treasure of heartwarming, comforting and reassuring perspectives to hands off subjects. I want to inspire a muffled laugh, instigate a tiny smile, mischievous giggle or just create an environmental change and safe place for even a brief moment that would add a sparkle to a weary eye. Im providing an uplifting and supportive symbolichug? to each reader by filling them with a sense of pride in themselves for having endured their own health battle and surrounding issues. Each Hardcover books back cover has a Badge of Courage that can be attached to a pillow, clothing or accessories providing a tangible and permanent way to honor and celebrate their courage! For 20+ years Brent Atwater has researched, tested, rewritten each Just Plain Love(R) childrens healing book and play according

to the storytelling responses and reactions from healthy and unhealthy readers, caregivers, family, friends, medical and healthcare professionals, clients and the audience. Brent Atwaters dream is to inspire the creative imagination of readers of all ages to replace negative thoughts about health issues, medical experiences, rehabilitative therapy and reentry into society with a positive spin on their journey to health and well being.
