

Love & Life: Create Prosperity

Feeling disconnected, no direction, looking for your destiny? Chances are you have been looking for a while. There's no disgrace in that; Finding the answers to life's glitches is one of the privileges of living. The important thing is not to let the problem get bigger than you are. Never look back, you are not going that. Our difficulties arise when we subconsciously accept two opposing ideas. Unless this conflict is resolved, there will be nothing but turmoil inside and out. The battleground is within our minds and hearts. This book is designed to help you dissolve negative thoughts and construct a mindset to take you wherever you want to go. False beliefs cause separation and limitation. When we get our inner attitudes in line, our lives straighten out. It is not hard to succeed in life when we get our spiritual, mental and emotional equipment working congruently. Every one of us is here for a purpose. Discover that purpose, determine to fulfil it, identify yourself with it, build a strong conviction of success in your consciousness, and follow your destiny with purpose and love of self and others. Obstacles drift away as we dissolve them in our minds. This book presents specific techniques to help you solve your problems and attain your goals. Companion Book Method... Meet your new best friend, take your companion with you everywhere, confide in it, use it to find your courage when you need it. Share the wonderful milestones. So, write everything the good, the sad, everything. Don't get caught in what used to be or what you were told. Shake it off and plan and act on who and where you want to be. The perfect way to monitor your progress, make notes along the way and step up. Stick with the programme and decide where you want to be. Learn a method of planning and taking actions with intent of purpose. Oh, be honest with yourself, love yourself and most of all forgive everyone and everything get rid of

the shackles of the past and explore your journey. This and so much more...
