

## Love Stage!!, Vol. 2 (Yaoi Manga)

Izumi Sena is an average guy born into a family of famous celebrities. A college student and total otaku, he works hard every day with the goal of someday becoming a manga creator. But right now, he's somehow found himself stuck doing a commercial with popular actor Ryoma Ichijo. To make matters worse, Ryoma makes the situation even more awkward by professing his undying love. Izumi tries to convince him they should first start out as friends, but somehow things get more intimate. Has the romance flag finally been raised?
