

Made of Stars (Stacy Cantor Abrams Collection Books)

Made of Stars by Kelley York When eighteen-year-old Hunter Jackson and his half sister, Ashlin, return to their dads for the first winter in years, they expect everything to be just like the warmer months theyd spent there as kids. And it isat first. But Chance, the charismatic and adventurous boy who made their summers epic, is harboring deep secrets. Secrets that are quickly spiraling into something else entirely. The reason theyve never met Chances parents or seen his home is becoming clearer. And what the siblings used to think of as Chances quirks the outrageous stories, his clinginess, his dangerous impulsiveness are now warning signs that something is seriously off. Then someone turns up with a bullet to the head, and all eyes shift to Chances family. Hunter and Ashlin know Chance is innocent...they just have to prove it. But how can they protect the boy they both love when they cant trust a word Chance says?
