

Magic in Clearview (Xavier #4)

As the final battle draws closer, Xavier seeks the beekeeper of Clearview and guidance from the ledger. From Griswold College to every corner of Clanarde, the threat from demons and the Darklaw grows. In the back of Xaviers mind, Father Augustines final warning causes him to doubt and question all the angels he has ever encountered. At the same time Xaviers closest friends face stunning revelations about their heritages, while another must come to terms with a devastating experience.
