

Farm Fetched: Inspiration from a first generation farm family (Volume 1)

Life lessons are rarely wrapped in epiphany but rather unfold in everyday experiences. This is an invitation to join a city family who is taking the American dream in our own direction. Through lessons learned from a first generation farm family, our dream is to inspire you to realize yours. Allow us the privilege to share our victories, defeats, hopes and fears in order to give new perspective. Whether you are just starting out or need a little reminder of what its all about, walk with us for awhile.
