

Boy Princess Vol. 6

Prince Jed learns the true nature of the apothecarys mysterious tribe, their role in the true history of his parents, his mothers great sacrifice to save them and the rise of his murderous half-brother the Crown Prince. Little does Jed realize that the village has dark political designs of its own and they somehow involve Nicole, leaving Jed increasingly desperate to end the marriage. Prince Glewhin and Princess Reiny continue playing a dangerous political game with each other. Meanwhile, Nicole struggles to understand his manhood and his sexuality. The apothecarys villiage presents him with seductive hints of sexual knowledge. He stands on the threshold of a powerful breakthrough for him and for Jed. In the end, his innocent love may complicate the deadly political schemes of all.
