

What you feel is what you get. Sick of attracting the unwanted, but you don't know how to change that? We all know how terrible it feels like to sink into the sucking tar pit of our fears and worries. Mostly we get caught there on Monday mornings. We fight desperately to free ourselves. As an unwanted result we only attract and get drowned in another huge wave of negative thoughts. My booklet offers simple and reality-tested advice to help you get and stay out of emotional tar pits of all kinds. Taming the law of attraction made easy! I'll teach you how to focus on the solution. Concentrating on the problem would only lead to more negative thoughts and therefore low frequent, unpleasant emotions. The stinking black emotional tar pit isn't a happy place to dwell in. The sooner you get out, the better for you. Since nobody can do that for you, I strongly recommend you take action.
