

# Mapping Your Journey to Success: Six Strategies for Personal Planning

Success is a personal journey. What does it mean to you? Where do you start? When do you start? How do you know when you have arrived? Many people do not adequately plan for success or prepare for the seemingly endless journey it takes to get there. By definition, a journey is a lengthy travel from one destination to another, but it typically does not happen overnight or accidentally. You need a map. In Mapping Your Journey to Success, we will provide you with six simple steps to develop your own Personal Success Strategic Plan or PSSP. The core concepts of these steps will help answer the key questions that will get you on the road to reach your destination.
