

## Laying the Foundation for a Christ Centered Marriage

Laying the right foundation to a home is very important because it determines how stable that house is going to be for the next thirty plus years. Surprisingly foundation problems in homes are usually found at the top of the house by small cracks that get bigger overtime. Laying the foundation for marriage is even more important than your home! Christ has to be the center of your marriage to enable you and your spouse to build your lives on him. This book outlines ten practical ways for engaged and married couples to lay the proper foundation to build your marriage on solid rock! This Ebook will equip you with how to prepare to enter into marriage and how to relay the foundation if you are already married!
