

Masatake Fujita Shihans 8 Powerful Techniques performed by Attila Pivony

THIS BOOK IS DEDICATED TO THE UNIQUE PERSON, MY MASTER, MASATAKE FUJITA SENSEI, SHIHAN HOMBURU DOJO, 8TH DAN AIKIDO AIKIKAI. Masatake Fujita Shihan was famous for his vigorous performing of the techniques. His teaching style is commonly known as Fujita Sensei's theory of motion (tai sabaki). In this theory, three elements are emphasized: posture, dodge and technical application. He introduced the progressive training method where first it is taught the proper posture and then the needed appropriate dodge for a favorable position which is the key to a successful performing of a technique. I believe that Masatake Fujita Sensei's teaching, spiritual thinking will be passed on and acquainted with more people.
