

Mastering Happiness: Ten Principles for Practicing a More Fulfilling Life

Drawn from research in the field of positive psychology, and his nearly three decades of working with people as a Marriage and Family therapist, teacher, and Life Coach, Mastering Happiness will help you plan a strategy that can lead you to live a happier and more fulfilling life - the deeply gratifying, meaty sense of living well. Mastering Happiness will help you learn the skills of crafting and building a genuinely good life; one that you can feel satisfied with; one that you can feel proud of. A book with much practical wisdom concerning the road to happiness. Enthusiastically recommended. - Nathaniel Branden, author of The Six Pillars of Self-Esteem.
