

## A Golfers Day with the Masters

For those looking to deepen their spiritual lives and get more out of their golf game at the same time, A Golfers Day with the Master is a hole in one. Spiritual teacher and avid golfer Dorothy K. Ederer has written an inspiring book that will help readers see both life and the game of golf in a whole new way. In the simple and straightforward style that made her first book, Colors of the Spirit, cherished by readers across the country, Sister Dorothy once again reaches out to show how easy it is to see God in everything around us. In her many years as a golfer, Sister Dorothy has enhanced her love of the game by connecting it with her love for God, and now she invites readers to walk the course with her. She utilizes anecdotes from the most famous names in golf (including Bobby Jones, Tiger Woods, and Nancy Lopez), as well as inspiring tales of ordinary golfers, together with meditations and prayers using the vocabulary and metaphors of the game, to illustrate uplifting lessons of faith.
