

Signs of the Times

It was mid-morning, on or about the eighth of Nisan, the year 32 AD. Jesus and His disciples were leaving the great temple in Jerusalem and heading towards the Mount of Olives. As they passed the temple, the disciples marveled at its beauty and magnificence. The temple was one of the greatest structures of that day, rising between eight and ten stories high, and sculptured in marble and gold. It was King Herod's mark on society and one of the wonders of the world. As the disciples turned to Jesus in awe, Christ simply stated, Verily I say unto you, There shall not be left here one stone upon another, that shall not be thrown down (Matt. 24:2). The disciples looked at each other in confusion and proceeded on their way up to the Mount of Olives. Now, as they reached the Mount of Olives, four disciples, confused and wondering about what Christ had stated, came to Jesus privately and asked Christ three questions. 1. When will these things happen? 2. What will be the sign of Your coming? 3. When will be the end of the age?
