

Mirrored Monologues: Finding Joy Through Introspection

Life is a beautiful journey, and quite unlike the rolling stone, we gather experience and skills. But what is the use if we don't look beyond our blinders, and keep ourselves from evolving, and enjoying the perfect life that we are each meant to enjoy, and deserve? In her chronicle of powerful thoughts gathered over time, Neena Kamal takes you on an adventure that leads you to a plane of self-actualisation and self-discovery.
