

Two prominent figures in missiology worldwide bring together a number of the biggest names in the field in this edited volume of essays on mission. Each contributor (including Jonny Baker, Kirsteen Kim, Gavin D'Costa, Emma Wild-Wood, Robert Schreiter, Mark Heim, and Tom Wright) considers mission through the lens of "prophetic dialogue," in the tradition of the Bevans/Schreiter approach to mission. The book is theological rather than issues-based, and includes a number of younger contributors, including Maria Cimperman. It is aimed at missiology students and for classroom use.
