

My Marriage, My Testimony: God Did It

This book chronicles my marital journey and how God turned years of heartache and pain throughout my early years of my marriage, into a platform for my ministry and my testimony. To God be the Glory for allowing my life to be a testament of how the power of Forgiveness saved my marriage. I hope after reading this book that you too can say What the enemy meant for evil, God meant it for your good. God strategically places everything inside that you will need to defeat the enemy, and he will raise you up victoriously! What God has for you, is for you, and although the enemy will do all he can do to throw you off course for your destiny, there is nothing that he can do to change the plan for your expected end. I pray that this book is an encouragement, and I pray your relationships and your marriages are richly blessed and strengthened through the power of forgiveness and the love of God. Yours In Christ, Minister Darlene M. Jackson
