

Spirit Vision (Volume 1)

If God gave you a mission, would you answer His call? The Lord has given Stary, a high school freshman, a mission: extinguish the evil residing in the murderer of two teens Maren and Umbra. Stary never imagined that her strange visions meant that she was the Spirit Warrior for God and now with her powers activated, she must train to use them and try not to get caught by the murderer who has the ability to hide and conjure up the dark powers from the fallen angel himself Lucifer. If Stary fails, not only will she lose her life, but Maren and Umbra will lose their entry into heaven and the world will be exposed to the madness of the murderer for the next forty years until the new Spirit Warrior is born.
