

## Payback Time

This world is full of surprises, most people are destroyed by their most trusted friends or those they confide in. But one thing is very certain according to the Holy Bible Be not deceived, God is not mocked, whatsoever a man shows that is what he will also reap. Galatian 6 verse 7. There is a reaping time for whatever we do. Be careful of what you do and who you confide in, they might end up destroying you.
