

Pueblo Spirits: in the Life of Felicitas D. Goodman

PUEBLO SPIRITS is a true story (in graphic novel form) about spirit encounters and Native American religion in the Southwest. It is based on the life of the internationally known anthropologist Dr. Felicitas D. Goodman. Dr. Goodman is famous for her research on altered states of consciousness, and her discoveries of body postures that help people achieve trance experiences of an alternate reality. PUEBLO SPIRITS tells the story of Dr. Goodmans quest for contact with ancient Pueblo Indian spirits in New Mexico and how that quest nearly cost her life. The author is Dr. Goodmans daughter and this version was authorized by Dr. Goodman before her death. For information about the Felicitas D. Goodman (Cuyamungue) Institute please visit <http://www.cuyamungueinstitute.com/>
