

The Treasure in You: Unlocking Your Potentials, Identifying and Tapping into Your Passions

In this very revealing and engaging book, Babalola Raphael Kehinde shares his wisdom and uncommon perspective about passion. With deep thought and sheer generosity, he offers effective insights into the curious nature of ambition. He asks us to embrace our creativity and let our courage stand up to our fears. He discusses the attitudes, approaches and habits we need in order to live our most passionate lives. He encourages us to tap into the boundless potentials deposited in each of us. Kehinde uses *The Treasure in You* to reveal some revolutionary guideposts on how we can refine our thought process and reposition our mindsets in a bid to distinguish ourselves to become a remarkable success in whatever venture we are passionate about. This incredibly inspirational book opens an entirely new world for those that will absorb their wisdom and allow the mind to venture outside of the boundaries of common thinking. The thoroughly researched text explores the possibilities of average people accomplishing extraordinary results in whatever they choose to pursue. It will definitely inspire you to expand your normal thought process and gives you a portal into the knowledge of an unlimited supply of abilities within your grasp, and in no small way help you to realize your true potential. Whether you are passionate about a particular hobby, job, art or sport or simply want to live an everyday passionate life, *The Treasure in You* will surely help you realize any of these dreams. Positive Reviews for *The Treasure in You* It is a well crafted book that succinctly captures the whole essence of passion in the lives of we humans. Daily Tide It is indeed a great book! The place of human potential was carefully explored, and the need for passion to create a purposeful life was well examined in this valuable text. Vintage International This book is definitely the one you need if you

simply want to live an everyday passionate life. After devouring every word in it and translating it into action, I have been more fulfilled in my everyday life than ever before. Akeem Lawal Purposeful and passionate life is what everyone deserves and desires and this wonderful and inspirational book has just provided the needed answers to fulfill this much desired kind of life. Ahmed Bolaji He explicitly deals with the subject of passion in human life in this stunning book providing resourceful tips on how to live more fulfilling life by pursuing a passionate venture. Amuda Kazeem It is well researched and quite rich on the subject of passion and how man can find his purpose through that very thing he is passionate about. Aminu Kolade Well written, highly informative, quite motivational, very comprehensive, yet simple enough to understand book for those who will genuinely want to seek out their passions in order for their purpose to be fulfilled. Omotolani Wasiu When passion is infused into our daily activities, we are guaranteed of realizing the purpose of why we are here and this incredible book has said it all and revealed much more! Baba Aliyu Nothing is as fulfilling, life changing and ground breaking as discovering ones purpose in life. This revealing write up will lead anyone to this same purpose through its simple yet rich path finding tips on passion pursuits. Aliyu Bellz
