

Lord of Arvandal: The sword, the shield, and the crystal

In a land where the deepest secrets of magic have been hidden for hundreds of years. The powerful crystal of Arvandal has once again returned and claimed its heir. Pharroll Wanderlust, a mere child is thrust into an isolated world of powerful magic and evil, unlike anything that the land has ever seen. With the sword of Tiburon and the shield of the three kings, he must become a king and fast. A dark cloud has swept over the land and according to the ancient scriptures only the bearer of the sword, the shield, and the crystal can save mankind.
