

## Orbs - The Living Skies above My Garden: An Illustrated Book of Orbs

The night sky is full of mystery. Much of this is revealed with a simple camera. The age of digital photography has brought in a kaleidoscope of beautiful, colourful and above all spiritual images assuring us that we are not alone but rather watched over by a host of benevolent beings. Take a wondrous journey with Hilary through the living skies over the Montgo Mountain on the Costa Blanca on the south east coast of Spain through the beautiful images caught by her camera!
