

The Journey: A Path of Self-Discovery and Reinvention

All Humans Have Dreams... And it is in the beauty and mystery of those dreams that the meaning of life resides. While conventional wisdom tends to suggest that dreams and dreamers are randomly paired, the history of mankind is full of examples showing the meaningful and synchronistic blending of the individuals most beautiful visions and his or her purpose in life. For centuries, perhaps millennia, the question of what are we here for? has puzzled humanity and tested the passage of time in a crusade to find its answer, which lies nowhere but in the deepest confines of our own hearts. Only those truly wanting to know, will find their way through the mystic and fascinating quest to meet the who we were meant to be. The Journey is a collection of profound and thought provoking reflections aimed at helping you uncover the reason why you are here and in so doing unlock the most magnificent sides of yourself to ultimately live your life in its fullest forms. You will be presented with concepts that will question some of your basic assumptions and lead you to decode the language of Universal signs, which will allow you to experience life in a completely different dimension. here is much more than what the eyes can see and only by immersing into the realms of the heart, the true blessings of life, love, and contribution can be appreciated and rediscovered. Life is Gods gift to us, what we do with it is our gift to God Amish Proverb
