

# New You Collections NYC: Walk through the Inner Journey of the Real You

Looking Inside of Me Today I took the time to examine me, and look at who I really am. I am kind, I am gentle, and I am wonderful that's what the creator tells me. Sometimes the world tries to change me and not appreciate my gifts. I had to realize through self examination I am okay and I love the gifts that I have. So I say to you, stop, look, and listen to you. Sit still and let go of the noisy world. Do you tell you the truth about you? Examine the inner you, its amazing!
