

North of Beautiful (A Justina Chen Novel)

As he continued to stare, I wanted to point to my cheek and remind him, But you were the one who wanted this, remember? You're the one who asked-and I repeat-Why not fix your face? Its hard not to notice Terra Cooper. Shes tall, blond, and has an enviable body. But with one turn of her cheek, all people notice is her unmistakably flawed face. Terra secretly plans to leave her stifling small town in the Northwest and escape to an East Coast college, but gets pushed off-course by her controlling father. When an unexpected collision puts Terra directly in Jacobs path, the handsome but quirky Goth boy immediately challenges her assumptions about herself and her life, and she is forced in yet another direction. With her carefully laid plans disrupted, will Terra be able to find her true path?Written in lively, artful prose, award-winning author Justina Chen Headley has woven together a powerful novel about a fractured family, falling in love, travel, and the meaning of true beauty.
