

Offbeat Food: Adventures in an Omnivorous World (Offbeat S)

Fourth in our internationally acclaimed Offbeat series, Offbeat Food: Adventures in an Omnivorous World explores the unusual, unexpected, and extraordinary aspects of food and food culture. This unique book will provide hours of robust entertainment for even the finickiest gourmet. Everything from food Americana-style to the mysterious durian fruit to the appearance of food in the arts and popular culture to the oddities and delights of the international palette is covered in this foodie smorgasbord. Alan Ridenour's postmodern foodlore primer is guaranteed to start-and end-countless dinner table conversations and arguments.
