

Making the Climb: What a Novice Climber Learned About Life on Mount Kilimanjaro

Our lives are filled with mountains to conquer. No matter our age or experience, we all have issues, obstacles, opportunities, and challenges that dominate our landscapes and force us to climb whether we were ready or not. Making the Climb is a riveting first-person account of one mans attempt to climb to the top of Mt. Kilimanjaro and the life-changing lessons learned along the way. John Bowling describes the challenges and difficulties he encountered during the nine days it took to reach the peak of Africas tallest mountain and the highest free-standing volcano in the world. With wisdom and fortitude, he shares how this exhilarating adventure has equipped him to face and overcome other personal challenges and mountains in his life. He illustrates how this physical challenge impacted and transformed his spiritual life and shares observations, principles, and insights to help others overcome and conquer the challenges of lifeno matter how difficult they might seem. Making the Climb: What a Novice Climber Learned About Life on Mount Kilimanjaro invites you to follow John Bowling up one of the worlds most magnificent peaks. With intrigue and reflection, hell lead you on a challenging journey toward the life-changing reward that awaits you at the top. He offers one cautionDont look down!
