

The best outdoor and adventure photographers offer their most extraordinary shots of peaks, rocks, faces, climbing history, and climbing culture in this most ambitious collection. Grivel owners, Betta and Gioachino Gobbi, wanting to explore new territory, have selected the most challenging, the most avant-garde, and most offbeat images for this third book in the series. Contributors include the most respected names in the business-along with some rising stars. With Spirit of the Mountains and The Climbers World, this book is produced in collaboration with the Italian publishers, Vivalda Editori.

The Great European Illusion: Business in the Wider Community (Developmental Management), The Death Of Christ: Its Place And Interpretation In The New Testament, Traditions of Freemasonry and Its Coincidences with the Ancient Mysteries, The Truth about Science and Religion: From the Big Bang to Neuroscience, Globalizing the Sacred: Religion Across the Americas,
