

From #1 New York Times bestselling author comes a heartwarming, inspirational book to help readers understand their lives as one continuous, never-ending story, part of a grand narrative that God is writing day by day. God has a story for your life... With chapters that cover the importance of literary elements such as characters, setting, backstory, and conflict, Debbie Macomber uses the structure of a story to illustrate God's hand in our lives. Each chapter has a storytelling prompt—a searching question that will help frame our story—and a sidebar that pulls an idea out of the chapter and expands it with practical tips. Once Upon a Time shares Debbie's love of story and helps showcase the big picture of the story God is writing through us.
